Release of Liability

I give unrestricted permission to be included in photographs taken and for those photographs and any written or oral statements I make to be used for the improvement and promotion of EmmanuWheel.

I hereby release and hold harmless EmmanuWheel's program, employees, volunteers and workers, their officers, officials and agents ("Releasees"), with respect to any and all losses and/or damages to person and/or property which may arise out of the volunteer's participation and involvement with EmmanuWheel and the above-referenced activities, whether caused by the negligence of the Releasees or otherwise, except that which is the result of gross negligence and/or wanton misconduct. I understand that this is a full and complete release and that EmmanuWheel requires this release by me on behalf of the Volunteer to allow the Volunteer to participate in the ramp build.

For Parents or Guardians of Children 17 and younger Authorization & Power Tool Authorization

EmmanuWheel is a Christian faith-based organization that provides wheelchair ramps to those in need. EmmanuWheel provides this service through volunteers who are supervised by trained leaders. On each worksite, volunteers use power tools. There are federal laws that establish certain safety standards and restrictions for young workers. Those standards apply to youth that are being paid and EmmanuWheel does not believe that they apply to youth volunteering their time with a nonprofit organization. EmmanuWheel has advised me that these federal laws prohibit persons under the age of 18 from using power driven circular saws, band saws, chain saws, reciprocating saws, woodchippers and abrasive cutting discs ("power tools").

I authorize the above named child (the "Volunteer") to operate power tools. For myself and for the Volunteer, I release EmmanuWheel, EmmanuWheel's board of directors, agents and employees, other EmmanuWheel volunteers, and the owner of the home on which the volunteer will be working from all claims that I, or the Volunteer, may have for any injuries sustained or damages incurred during the work session.

Circle your preference: Yes (YELLOW wristband) No (RED wristband)

Full Release

I understand that this is a full and complete release and that EmmanuWheel requires this release by me to allow me to participate in the ramp build.
